

# CONTENTS

---

## UNIT I: NURSING: AN INTRODUCTION

---

1. Advance Nursing Practice .....	3
2. Role of Regulatory Bodies in Nursing.....	6
3. Trends in Nursing .....	10
4. Quality Assurance in Nursing .....	13
5. Collective Bargaining.....	22
6. Performance Appraisal.....	26

## UNIT II: NURSING PROCESS AND PRACTICES

---

1. Nursing Process.....	33
2. Family Health Nursing.....	53
3. Home Nursing .....	58
4. Geriatric Nursing.....	60
5. Rehabilitation.....	68
6. Holistic Nursing Care.....	72
7. Disaster Nursing.....	78

## UNIT III: PSYCHOLOGICAL ASPECTS OF NURSING

---

1. Basic Human Needs.....	93
2. Defense Mechanism .....	96
3. Group Dynamics .....	99
4. Organizational Behavior.....	101
5. Human Sexuality.....	104
6. Personality Traits .....	106
7. Perception.....	111
8. Stress .....	115
9. Crisis and its Intervention .....	121
10. Counseling.....	127
11. Communication .....	130
12. Sick Role Behavior.....	145
13. Healthcare Compliance.....	149
14. Health Belief Model .....	152

## UNIT IV: HEALTHCARE DELIVERY SYSTEM

---

1. Healthcare Delivery System in India .....	159
2. Nursing Care Delivery System.....	170
3. Role of NGO's in Health Services.....	179
4. National Urban Health Mission .....	182
5. Information Education and Communication.....	185
6. Primary Health Care .....	189
7. Millennium Development Goals .....	195
8. Public Private Partnership.....	197
9. Skilled Birth Attendant .....	204

10. Reproductive and Child Health .....	207
11. National Accreditation Board for Hospitals and Healthcare Providers .....	211
12. Sustainable Development Goals .....	215
13. Ayushman Bharat Yojana .....	218
14. Pradhan Mantri Jan Arogya Yojana .....	221
15. Ayushman Bharat Digital Health Mission .....	224
16. National Health Mission .....	230

#### UNIT V: EPIDEMIOLOGY

1. Epidemiology .....	241
2. Health Surveillance .....	252
3. Sample Registration System .....	255

#### UNIT VI: GENETICS

1. Cell and Cell Division .....	261
2. Law of Inheritance .....	269
3. Gene Mutation .....	272
4. Chromosomal Abnormalities .....	274
5. Prenatal Diagnosis .....	277
6. Genetic Counseling .....	282
7. Human Genome Project .....	284
8. Genetic Disorders in Human .....	287

#### UNIT VII: NURSING THEORIES

1. Nursing Theories .....	295
2. Environmental Theory of Nursing .....	302
3. Principles and Practice of Nursing .....	306
4. Patient-centered Approach to Nursing .....	310
5. Self-care Deficit Theory .....	315
6. Systems Model .....	327
7. Behavior System Model .....	334
8. Theory of Goal Attainment .....	340
9. Adaptation Model .....	347
10. Conservation Theory .....	353
11. Interpersonal Relationship Theory .....	360
12. Theory of Care, Core and Cure .....	364
13. Science of Unitary Human Beings .....	367

#### UNIT VIII: DISEASE AND CAUSATION

1. Concept of Health and Illness .....	375
2. Illness-Wellness Continuum .....	379
3. Oxygen Insufficiency .....	382
4. Cardiopulmonary Resuscitation .....	389
5. Grief and Grieving Process .....	396
6. Sensory Deprivation .....	406
7. Sleep Patterns and its Disturbances .....	410
8. Pain .....	418

9. Infection Control.....	433
10. Fluid and Electrolyte Imbalance.....	444
11. Dialysis.....	461
12. Chest Physiotherapy.....	464
13. Hemorrhages.....	468
14. Altered Body Temperature.....	472
15. Shock.....	476
16. Nutritional Deficiencies.....	484
17. Unconsciousness.....	496
18. Septicemia.....	503
19. Metabolic Syndrome.....	506
20. Immune Disorders.....	508
21. Swine Flu.....	510
22. COVID-19.....	515

### UNIT IX: ADVANCED NURSING SKILLS

1. Transcultural Nursing.....	523
2. Telemedicine.....	531
3. Biomedical Waste Management.....	535
4. Health Insurance.....	543
5. Hospital Information System.....	553
6. Nursing Informatics.....	556
7. Evidence-based Practice.....	561
8. Hemodynamic Monitoring.....	565
9. Advanced Cardiac Life Support.....	571
10. Pacemaker.....	575
11. Abdominal Paracentesis.....	580
12. Pulse Oximetry.....	584
13. Tracheostomy.....	586
14. Endotracheal Intubation.....	590
15. Mechanical Ventilation.....	594
16. Lifestyle Diseases.....	603
17. Independent Practice Issues.....	605
18. Stem Cells.....	608
19. Statistical Software.....	611

### ANNEXURES

Annexure I: History of Nursing Education.....	619
Annexure II: Commonly Used Stems in Medicine and Nursing.....	620
Annexure III: Commonly Used Prefixes.....	624
Annexure IV: Commonly Used Suffixes.....	627
Annexure V: Abbreviations Commonly Used in Medicine and Nursing.....	629
Annexure VI: Code of Ethics.....	634
Annexure VII: Expanded and Extended Role of Nurse.....	636
Annexure VIII: Health Days.....	639
<i>Glossary</i> .....	643
<i>Index</i> .....	691
